

# Universal TV Mounting Hardware Pack

## Model VHWTV-C

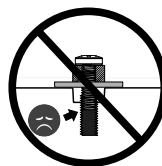

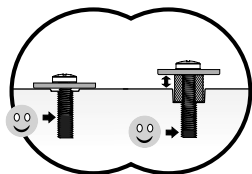

Typical fasteners for use with most TV mount systems.

**NOTES:**

- Only one screw size (M4, M5, M6 or M8) fits your TV.
- Screw length is dependant on the use of spacers (if used).
- Follow your TV mount's installation manual for assembly.

**CAUTION:**

Verify adequate thread engagement with your TV screw, washer and spacer combination, AND your TV mount brackets.

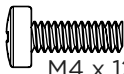

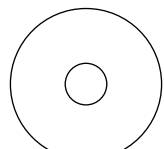

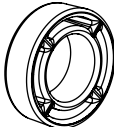

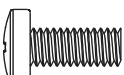

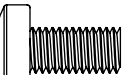

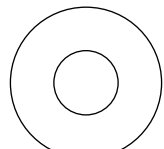

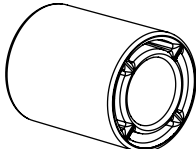

Too short will not hold your TV.

Too long will damage your TV.

**WARNING:** This product contains small items that could be a choking hazard if swallowed. Verify all parts are undamaged. If any parts are missing or damaged, do not return the damaged item to your dealer; contact customer service. Never use damaged parts!

TV Screws (qty. 4 each)	Washers	Spacers
